MGM Polytechnic College under the management of Geevarghese Yohannan Charitable Trust, is widely acclaimed for its pioneering contribution in the field of education. As envisioned by its founder and chairman Geevarghese Yohannan, the school is committed to providing world class education supported by state-of-the-art infrastructure and technology aided teaching.

MGM management and teaching faculty are of firm view that even while emerging trends and concepts have their privileged position in facilitating quality education in today's technology-driven world, the strong inter-personal relationship between the teacher and the learner should not be pushed backwards. MGM promotes value-based education that is global in character, but unmistakably rooted in the time-tested tradition and cultural consciousness of India.

MGM Group of institutions is committed to realizing the futuristic vision of its founders – a society educated to global standards willing to exercise its refined faculties for the greater common cause.

MGM Polytechnic College, Pampakuda is located on a green serene hillock of 11 acres by the side of Muvattupuzha - Piravom Road. The College is managed by Noble Educational and Charitable Trust which is committed to ensure International Standards in Career Orientation. It started functioning in September 2011 with the approval of All India Council for Technical Education [AICTE], New Delhi and is affiliated to the Mahatma Gandhi University, Kottayam. The College is certified by ISO 9001:2008.

The Institution offers B.Tech. Courses in five branches namely Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering. The annual intake is 300 with 60 seats in each discipline till 2013-2014. From 2014 onwards the intake of Civil Engineering and Mechanical Engineering are 120 each. The vision of Institution is to develop the College as a Centre of excellence for moulding globally competent professionals, with refined attitudes, in Technology and Management. Around 100 highly qualified Faculty and Staff drawn from diverse heritages and the dedicated senior and experienced Technology Gurus form our Intellectual Wealth. The 'Group Tutor' and 'mentoring' system has proved to be effective in evaluative and corrective fields. Counseling and personal interaction are supportive systems adopted. The natural and human bond with parents adds strength to the development of the Institution. Self assessment has earned ISO accreditation for this infant in its brief and bright track.
